2004 330Ci

Loaded !!! – 1 Owner !!!!

22,000 miles

**Recently had \$8,300
worth of collision work**

Which one would you buy ?

The difference between the undamaged vehicle and the damaged one is the Diminished Value – this is a recoverable loss under the laws of most states:

The basic concept of a tort is that the negligence of one or more individuals has led to loss or damages of another. It is a general rule that the law of torts attempts primarily to restore the injured party to as good a position as he held prior to the tort.
